## *Reception for Cameron Clansfolk*

Approximately two hundred Camerons arrived at Fort William's Milton Hotel at 6:30PM for a "Gathering prior to the Gathering." Many clansfolk attended this cocktail party and reception to mingle with their fellow Camerons, learn more of the weekend's plans, and to personally meet both Lochiel and his family.

Show here are Donald The Younger of Lochiel, and also David Cameron, President of the Scotland Branch of the Clan Cameron Association, both extending their greetings to the tartan-clad attendees.

As shown on the previous page, Lochiel was in attendance, and was "working the crowd," shaking hands and posing for photographs for the first of numerous times throughout the weekend. The Cameron chief was in great spirits and seemed pleased at the wonderful turnout of Camerons during the evening.

## *Reception for Cameron Clansfolk*

*Many Lochiel family members were busy meeting clansfolk - Donald The Younger's daughter Emily was busy providing programs for the weekend's Gathering and her brother Donald Andrew Cameron is shown below greeting a young clansman.*

Also on hand to greet the assembled clansfolk were (l) Dr. Ian H. Cameron, Chieftain of the Clan Cameron Association, Australia, and (r ) Donald J. Cameron, Commissioner of the North America Branch. Attending clansfolk from the U.S., Canada and Australia would number over two hundred at the 2001 Gathering.
